

## Public Meeting/Open House

### Freeway Improvement Project Scheduled To Begin on Interstates 5 and 805 Between Genesee Avenue and Del Mar Heights Road.

You are invited to attend an "Open House," on Tuesday, December 11, from 4 - 7 p.m. in the La Jolla Ballroom at the Doubletree Hotel, 11915 El Camino Real, San Diego.

The Open House allows area residents and business owners to gather information, to ask questions regarding the project and potential impacts to their community and the scheduling of construction.

The California Department of Transportation (Caltrans) is proposing to construct a separate freeway bypass system from the junction of Interstates 5 and 805 to the Del Mar Heights Road interchange. The project also includes construction of a diamond type interchange at Carmel Mountain Road, the adding of auxiliary lanes to the existing main lanes, and improvements to frontage roads.

If you need special accommodations (American sign or foreign language interpreter, accessible seating, and documents in alternate formats), please contact the Caltrans Public Information Office, (619) 688-6670, at least 7 days before the meeting. TDD users may contact the California Relay Service TDD Line at 1-800-735-2929 or Voice Line at 1-800-735-2922.

Caltrans Project Manager Arturo Jacobo, (619) 688-6816, will be at the meeting to help answer your questions. Contact the Caltrans Public Information Office, (619) 688-6670, for general transportation questions. You may also visit our web site at [www.dot.ca.gov/dist11](http://www.dot.ca.gov/dist11).
